

## Advisors & Judges of The Sanhedrin Initiative

We hereby declare our loyalty to serve the Jewish People and the Ultra Orthodox Noahides & People of The Nations of the world under the principles of צדקה וצדקה (source: [בשורת הנבואה אמרת מלחמה](#))

And to fulfil them as these 3 principles are articulated, manifested & practiced in the Jewish tradition of Moses & Israel as derived from The Torah which was given by Hashem,

in addition to all Kabalistic & Chasidic wisdom of the last 9 generations all the way to the Rebbe King Moshiach Shlit'a with the intent of making this world a dwelling place for the creator blessed be he.

**From Moses to Moses there was no such Moses.**

The Rambam's laws in relation to "The days of Moshiach" today carry the weight of Jewish Halacha Today.

& being that he had the authority to give Halachic ruling, and his fellow league the Alfasi and The Rash did not argue with him, the laws in relation to Moshiach are binding today as stated in Mishna Torah and we intend to carry them out as the Rambam articulates.

**License From The Rebbe Jewish Leader of our generation:**

"All I have Done was for Nothing. From Here on in do all that you can to bring down Moshiach."

"the reason for the gathering of the Shluchim is to sit together and produce outcome how to drive through the special Mission of Accepting/Greeting The Face of Moshiach"

We have agreed that these 2 statements of the rebbe in the later years, give license to the Rebbe's followers to pursue the Geulah process.

**In the Latest MN Global Discussion written in 2018 on MnGlobal.org**

We today are living through the moment the right wing party in israel is unified under Hashem, and we feel the Time is correct to Establish The Sanhedrin. We are done with point 7 and are moving into point 6.

אנש-ה-יל ירא' אל-קָרְבָּן אֲמֵן אַפְּתָת שָׁמָא בָּנָן

We aspire to these traits and believe we are worthy of fulfilment of the task ahead of us.

We understand the nature of Judaism is free choice with a recommendation to chose life. We understand that **צדקה** means a voluntary – from the heart - donation the jewish people gave to the causes of Hashem.

**We understand that human life and the thriving of it in a Geulah and/or Gan Eden environment, is of the highest and most important value in the torah.**

We intend to switch the medium of value from paper to gold and silver.

We understand that Gold & Silver only hold value in us meek humans after defiling our devotion to Hashem in the Sin of the Golden Calf and that the rectification of said sin is by contributing to the Mishkan/Dwelling Place of Hashem/The 3<sup>rd</sup> Temple and all other commandments which bring us closer to that end.

We intend to switch the **Value** of Said Medium from Idol Worship (Modern Christianity) Bloodshed (M.I.C.) and Adultery (as is being done with the internet).

to the 5 values of the torah as articulated in the ethics of our fathers Torah/Judgment, Temple Service/Prayer/Truth & Giving of Kindness/Peace.

We are unfazed to "comprehend the **רשות** wisdom in form of action of our creator, as the rambam says. For the reason of assisting in the Geulah Process.
